

# HOAR WARMS HIS PARTY.

**Declares McKinley Policy Will Wreck the Republicans.**

**PLEADS FOR THE FILIPINOS.**

**Has No Faith in Bryan and Says Island War Has Cost 6,000 Lives.**

WASHINGTON, April 17.—In the Senate today Mr. Hoar (Rep., Mass.) delivered his long-promised address on the Philippines and propounded the wreck of the Republican party.

He glorified the war with Spain and said that President McKinley, at the close of that war, was "the best beloved President who ever sat in the chair of Washington."

He pleaded with the Senate not to abandon the principles that have made the country great, and declared that had the Philippines been dealt with as we expect to deal with Cuba the country would have escaped the loss of 6,000 brave soldiers, other thousands of shattered lives, the expenditure of hundreds of millions and the trampling under foot of cherished ideals.

"I do not expect to accomplish anything for liberty in the Philippine Islands but through the Republican party," he said. "Upon the fate of these islands for years to come is to depend. I cannot look with any favor upon Mr. Bryan as an alternative."

"I believe not only that perseverance in the present policy will be the abandonment of the principles upon which our Government is founded, but that it will change our republic into an empire, but I believe persistence in this attempt will result in the defeat and overthrow of the Republican party."

Mr. Hoar made an earnest defense of the Philippines, especially of Aguinaldo, who, he declared, was "brave, honest and patriotic." Of Aguinaldo he said: "He deserves to be remembered with that small hand who have given life, and everything dearer than life, to their country in a losing cause. He shall live with Kosuth, with Oom Paul, with Joubert, with Emmet, with Edmont and Horn, with Nathan Hale, with Warren, with all the great martyrs of history."

## CROKER COMING HOME.

**Sailing of His Son Frank Taken as an Indication of the Chief's Early Return.**

Frank Croker will sail to-morrow on the American liner New York. This means that Richard Croker is coming home, say Tammany men. It is understood in the Wigwam that Mr. Croker does not like to travel alone, and the braves have been watching for news of the departure of one of the boys as a sign that the chief was coming home.

## CENSUS BEGINS JUNE 1.

**Enumerators Must Complete Their Work in Thirty Days—Reports by July, 1902.**

WASHINGTON, April 17.—Census enumerators begin work June 1 and must finish in thirty days. Cities of 8,000 or more inhabitants must be completed in two weeks.

The four principal reports, on population, mortality, agriculture and manufactures, must be printed by July 1, 1902.

## SIGNS A FREAK BILL.

**Anti-Horse Thief Society Is Incorporated Under New Law Signed by Roosevelt.**

(Special to The Evening World.) ALBANY, April 17.—Gov. Roosevelt today signed what has been looked upon as one of the freak bills of the session. It incorporates the Esperance Union, Anti-Horse-Thief Society.

The object of the corporation is to "recover stolen horses and the detection and apprehension of horse thieves."

## OPPOSES STAGE COACH BILL.

**Gov. Roosevelt Gives a Hearing and Gen. Kneeland Objects to the Measure.**

(Special to The Evening World.) ALBANY, April 17.—Gov. Roosevelt gave a hearing to-day on the bill which authorizes stage coach companies in cities to increase their routes to change their motive power to artificial power and increase their rate of fare.

Gen. Stillman F. Kneeland, on behalf of a number of property-owners, appeared in opposition to the bill, while William H. Page, Jr., of New York City, appeared in favor of it.

Gen. Kneeland held the bill was a measure in the interest of the Fifth Avenue Stage Company.

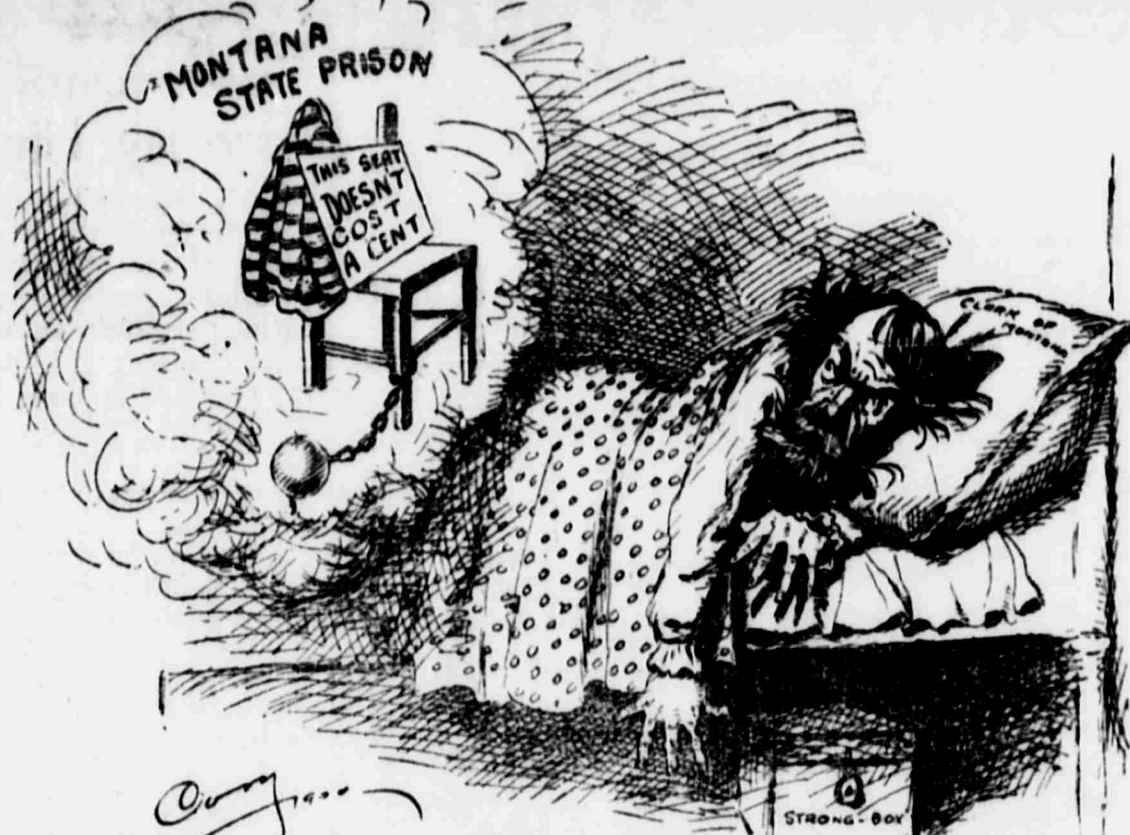

## M'GURK'S PULL FAILED.

**Judge Newburger in Scandalous "Suicide Hall" Baretender Said He'd Make Bowers Safe.**

Judge Newburger, in Part III, of General Sessions, today sentenced William Strauss, formerly a bartender in McGurk's "Suicide" Hall, to Sing Sing prison for seven years and six months for robbery.

Strauss was arrested in company with Philip McKenna, a nephew of McGurk, for robbing Samuel Cohen, of 36 East Eighth-street, on the night of March 11 of 1898. The evidence showed that Cohen got drunk in McGurk's place and was then robbed.

# NOT A DAY DREAM EITHER.

It is rumored that "Ex-Senator" Clark has his eye upon another seat.

## WOMAN OFFERS TO RUN WITH DEWEY.

**Mrs. Plantz, M. D., Is Seventy Years Old, and Her Sarcastic Letter Has Made Her Famous.**

BELLOWS FALLS, Vt., April 17.—Mrs. Plantz, a woman physician living in the little village of Putney, Vt., acting on the impulse of the moment, yesterday wrote the following letter:

"Please announce my name as candidate for the Vice-Presidency on the ticket with Admiral Dewey."

"I was born in Vermont, but have lived in Ohio. I was once presented with \$50 for meritorious services by one of the noblest institutions of New York City. So far as heard from, Mrs. Dewey has no such claims on the voters of the United States."

"I also have been in Washington and watched closely the play of the House and Senate, and think I quite understand their methods, and would be competent to fill the Admiral's place should he die."

"I am almost afraid to add I never wanted to vote for Cleveland."

"Mrs. LAURA M. PLANTZ."

Letters and telegrams have been pouring in asking for her views on national questions. Mrs. Plantz said to a reporter that she did not believe the matter would be taken so seriously and that she wrote the letter in a spirit of sarcasm.

She is more than seventy years old, the widow of Judge D. A. Plantz, member of Congress from Ohio, and step-mother of Gen. Lloyd Wheaton.

Many years ago she was graduated from a medical school and was one of the women pioneers in medicine. She was for many years practicing physician in the home of the Friends in New York City, and here she was awarded \$50 for meritorious services because of the rapid improvement made in the home under her jurisdiction.

She is not a woman suffragist, and never had any sympathy with this movement. She numbered among her intimate friends such men as Garfield, Blaine and Silverman.

Although Mrs. Plantz is a woman with an interesting and eventful past, she has, to use her own words, "passed off the scene and is not at all desirous of a public life."

## SOUVENIR OF A SIEGE.

**Meal Ticket Used at Kimberley Sent Here by Julian Ralph.**

Soup kitchens were opened in Kimberley during the siege of many weeks by the Boers. No, there was no mulligan-gateway or turtle served out to the starving inhabitants, but good thick

horses soup with, later on, mule broth with vine leaves as trimming.

Julian Ralph, the war correspondent, got hold of one of these soup tickets when he reached Kimberley, and he sent it home to George F. Foster, of this city. In letters Mr. Ralph says the British soldiers suffered terribly from lack of food and intimates that he himself would have appreciated a good table d'hôte dinner about the time Kimberley was relieved.
